

A Message for my Family and Friends

*"Love one another
and enjoy each other's company
as often as you can.*

*Never let petty things
like words, actions or money
keep you apart.*

*Forgive each other's faults,
and praise each other's
accomplishments.*

Family is THE MOST IMPORTANT.

*Try new things-
you cannot win or lose
if you never try.*

*Always strive
for bigger and better things,
but never at the expense
of someone else.*

*I love you all,
a bushel and a peck."*

APPRECIATION

The family wishes to express their gratitude for your kindness evidenced in thought and deed,
and for your attendance at the funeral service.

Myrna was born to Tony and Frances (nee Hoffman) Hutmacher February 15, 1939 in Bruno, Saskatchewan. She was their eldest daughter and throughout her life she considered them to be her greatest inspiration. She attended public school in Bruno and completed grade 9 at St. Ursula's Academy before moving with her parents to Winnipeg, where she completed high school and took a secretarial course. On May 31, 1958 she married Allen Krentz in Vancouver and the couple lived and worked there and began their family and this is where Denise was born. By 1961, Saskatchewan became home again for them, in the small town of Simmie, near Swift Current. Later Randy and Brian were born and the family moved back to Bruno after purchasing the home quarter, in 1966. For many years the family continued to farm and in 1976, Bruno Concrete Ltd., started operations and Myrna took an active role in the business, also acting as the bookkeeper. Alongside farming and enjoying her family, Myrna was involved in many organizations, offering her time and skills to the St. Bruno Parish Council and local C.W.L.L. chapter and serving with the Saskatchewan Housing Nominating Committee. Her love of friends and new experiences led her to take many opportunities to travel to places such as Hawaii, Colorado and Mexico and she had fond memories of the family trip to Disneyland in 1979 and trips with friends, including all of those with the Bruno Concrete Fast Ball Team. Her heart was always one of mercy for those she loved and she always moved more quickly to tears than to anger, devoting herself to her children and to their families. In 1995, Myrna and Allen retired to live in Bruno and Myrna spent the winters relaxing with knitting and crafts and watching sports while the coffee pot was always on in case friends stopped in for a visit.

Myrna will be lovingly remembered and sadly missed by her three children and their families: **Denise** (Russ) Glazier and family, **Jessica** (Kyle) of Edmonton, AB; **Randy** (Sandra) Krentz and their children **Brooke** and **Allen** of Edmonton, AB; and **Brian** (Tammie) Krentz and their family, **April** (Brayden) and son **Landon**, **Robyn** (Jamie) and their son **Ethan**, and **Ryan**. She is also survived by her brothers: Wayne (Audrey) Hutmacher, Cleo Hutmacher, Carman (Judith) Hutmacher, and Myron (Maureen) Hutmacher, and by her brother-in-law, Bob (Laura) Hampton. Myrna was predeceased by her husband, Allen Krentz; parents, Tony and Frances (nee Hoffman) Hutmacher; sister Maureen Hampton; brothers-in-law: Harold Krentz and Russell Ebner; sisters-in-law: Rita Carson, Anna Hutmacher, and Maureen Hutmacher; and by her godson, Dean Krentz.
